United States Institute of Peace

The United States Institute of Peace is an independent, non-partisan institution established and funded by Congress. Its goals are to help prevent and resolve violent conflicts, promote post-conflict peace-building, and increase conflict-management tools, capacity, and intellectual capital worldwide. The Institute does this by empowering others with knowledge, skills, and resources, as well as by its direct involvement in conflict zones around the globe.

Chairman of the Board: J. Robinson West

Vice Chairman: María Otero

President: Richard H. Solomon

Executive Vice President: Patricia Powers Thomson

Vice President: Charles E. Nelson

Board of Directors

J. Robinson West (Chairman), Chairman, PFC Energy, Washington, D.C.
