## **United States Institute of Peace**

The United States Institute of Peace is an independent, nonpartisan federal institution created by Congress to promote research, education, and training on the peaceful resolution of international conflicts. Established in 1984, the Institute meets its congressional mandate through an array of programs, including research grants, fellowships, professional training programs, conferences and workshops, library services, publications, and other educational activities. The Institute's Board of Directors is appointed by the President of the United States and confirmed by the Senate.

*Chairman of the Board:* Chester A. Crocker

*Vice Chairman:* Max M. Kampelman

*President:* Richard H. Solomon

*Executive Vice President:* Harriet Hentges

### **Board of Directors**
