Acknowledgments

This book would not have been possible without the help of many colleagues inside and outside the United States Institute of Peace. Most of all, I want to thank Pamela Aall for her support in recognizing the importance of working with community colleges as a means to increase peacebuilding efforts and raise awareness about the Institute. Also, many colleagues took time to review chapters. My deepest thanks to Linda Bishai, Bev Blois, Skip Cole, Ann-Louise Colgan, Nadia Gerspacher, Stephanie Hallock, Jeff Helsing, Raina Kim, Matt Levinger, Alison Milofsky, Mary Hope Schwoebel, Dominic Kiraly, Peter Weinberger, Mike Daher, Kurt Hoffman, Wade Watkins, Lexi Almy, and many others. And, of course, all the chapter authors have my eternal thanks for their tireless efforts at writing, rewriting, and dealing with my ever shorter deadlines. Finally, I want to thank my wife, Lena, and our children, Lorenzo and Sonya, for their love, support, and patience while I pursued this project.
